Said road and utility rights-of-way are for the benefit, use, and enjoyment of the owners and their heirs, successors, and assigns, and every conveyance of the lands herein restricted shall be deemed to be subject to said easements while conveying to the Grantee under said conveyance a similar right appurtenant to his lands to the benefit, use, and enjoyment of said easements in common with the undersigned Developer, its successors, and assigns, said road and utility right-of-way and easement to provide access to the State maintained road and well lots.

All lot owners shall abide by the Bylaws of the Association as may be amended from time to time and further agree to pay to the Association an annual maintenance charge as hereinafter set forth.

Assessments

SECTION ONE

Purpose for Assessments. The Developer and its successors in interest, including the Association as herein provided shall, pursuant to these Declarations, have the power to levy assessments as herein provided for the purpose of financing the operations of the Association and maintaining roads and other improvements including but not limited to the maintenance of community well(s) and common areas, and for services provided to or for the benefit of subdivision lots, in accordance with the formula herein set forth.

SECTION TWO

Creation of Lien and Personal Obligation for Assessments. Each lot is and shall be subject to a lien and permanent charge in favor of the Developer or the Association in the event of transfer by the Developer to the Association of any and all rights and responsibilities it has under and pursuant to the terms of this indenture for the annual and special assessments set forth in Section Two and Three of this Article IV. Each assessment, together with interest thereon and cost of collection thereof as hereinafter provided, shall be a permanent charge and continuing lien upon the lot or lots against which it relates and shall also be the joint and several personal obligation of each lot owner at the time the assessment becomes due and payable and upon such owner's successor in title if unpaid on the date of the conveyance of the lot. Each and every owner covenants to pay such amounts to the Association when the same shall become due and payable. The purchaser of a lot at a judicial or foreclosure sale shall be liable only for the assessments due and payable after the date of such sale.

SECTION THREE

Annual Assessments. No later than December 1 of each calendar year the Developer or the Association, as assignee of any and all rights and responsibilities of Developer, shall establish the annual assessments based upon the following considerations: (1) the cash reserve, if any, on account with a lending institution as created for the benefit of the lots of the subdivision; (2) the expenditures devoted to the benefit of the subdivision lots during the immediately preceding twelve (12) month period; and (3) the projected annual rate of inflation for the forthcoming year foreseeable for the county in which the land subject hereto is situate as determined by review of information available to any person, firm, or corporation by any governmental agency, lending institution or private enterprise which provides such statistical data upon request. For an improved lot, the minimum annual assessment shall not be less than Three Hundred (\$300.00) Dollars. For an unimproved lot, the minimum annual assessment shall not be less than Two Hundred (\$200.00) Dollars. If a property owner has more than one unimproved lot, then that property owner shall only be obligated to pay an annual assessment for one unimproved lot. If a property owner has an improved lot and one or more unimproved lots, then that property owner shall only be obligated to pay an annual assessment for the improved lot.

Developer, or the Association as assignee of the Developer as herein provided, shall give written notice to each owner of each lot the annual assessment fixed against each respective lot for such immediately succeeding calendar year.

The annual assessments levied by the Developer or the Association as herein provided shall be collected by Developer or the Treasurer of the Association as provided in Section Five of this Article IV.

The annual assessments shall not be used to pay for the following expenses:

- (a) Casualty insurance of individual owners for their lots and improvements thereon or for their possessions within any improvement thereon, any liability insurance of such owner insuring themselves and their families individually, which insurance coverage shall be the sole responsibility of the owner(s);
- (b) Telephone, gas, sewer, cable television, or electrical utility charges for each lot which expense shall be the sole responsibility of each respective lot owner; and
- (c) Ad valorem taxes for any lot, improvement thereon, or personal property owned by owner of any lot.

SECTION FOUR

Special Assessments. In addition to any annual assessments, a one time assessment of One Thousand (\$1,000.00) Dollars shall be paid by a property owner upon the commencement of construction of a residence on a lot to cover the wear and tear on the subdivision road which serves that lot. If road damage due to construction exceeds the impact fee, the lot owner or the agent of the lot owner who is responsible for the damage shall be liable for the additional amount due, to repair the damage and to restore the road to its original condition. All construction

equipment and materials shall be unloaded on the lot owner's land where the construction is commencing. In addition to annual assessments, the Developer, or the Association as assignee of the Developer as herein provided, may levy in any calendar year, special assessments for the purpose of supplementing the annual assessments if the same are inadequate to pay expenses and for the purpose of defraying in whole or in part the cost of any construction or reconstruction, repair, or replacement of improvements on any lot or appurtenances thereto; provided, however, that any such special assessment by the Association shall have the assent of the majority of the votes represented, in person or proxy, at a meeting at which a quorum is present, duly called for the express purpose of approving such expenditure(s), written notice of which shall be sent to all lot owners not less than ten (10) days nor more than sixty (60) days in advance of such meeting, which notice shall set forth the purpose of the meeting. Any special assessments shall be fixed against the specific lot or lots for which an expenditure is appropriated. The period of the assessment and manner of payment shall be determined by the Board of Directors of the Association.

SECTION FIVE

Date of Commencement of Annual Assessments - Due Dates. Assessments are due in annual installments on or before January 1 of each calendar year, or in such other reasonable manner as the Developer or the Board of Directors of the Association as designee of the Developer by and through its Treasurer shall designate.

The annual assessment(s) provided for in this Article IV shall, as to each lot, commence upon either the execution and delivery of or the recordation of a deed of conveyance, whichever in time first occurs ("commencement date").

The first annual installment for each such lot shall be an amount (rounding the sum to the nearest whole dollar) equal to the annual payment by the number of days in the current annual payment period divided by the number of days in the current annual payment period and multiplied by the number of days then remaining in such annual payment period.

The Developer, or the Association as assignee of Developer, shall upon demand at any time, furnish any lot owner liable for any such assessment a certificate in writing setting forth whether the same has been paid. A reasonable charge may be made for the issuance of any certificate. Such certificate shall be conclusive evidence of any payment of any assessment therein stated to have been paid.

SECTION SIX

Effect of Non-payment of Assessments, the Personal Obligation of the Owner, the Lien; Remedies of Developer and/or its Assignees, including the Association. If an assessment is not paid on the date when due as hereinabove provided, then such assessment, together with any interest thereon and any cost of collection, including attorney fees as hereinafter provided, shall be a charge and continuing lien on the respective lot to which it relates and shall bind such property in the hands of the owner, his heirs, legal representatives, successors, and assigns for payment thereof. The personal obligation of the then owner to pay such assessment and related costs shall remain his personal obligation and if his successor in title assumes this personal obligation, such prior owner shall nevertheless remain as fully obligated as before to pay the Developer or its

assignee any and all amounts which said lot owner was obligated to pay immediately preceding the transfer of title thereto; and such prior lot owner and his successor in title who may assume such liability shall be jointly and severally liable with respect thereto, notwithstanding any agreement between such lot owner and his successor in title creating the relationship of principal and surety as between themselves other than one by virtue of which such prior lot owner and his successor in title would be jointly and severally liable to make any lot assessment payment.

Any such assessment not paid by the 15th day of March as herein set forth within which such assessment is due, shall bear interest at the rate of eight (8%) percent per annum from such date (delinquency date) and shall be payable in addition to the basic assessment amount then due and payable.

The Developer or its assigns, including the Association, may institute legal action against any owner personally obligated to pay any assessment or foreclose its lien against any lot to which it relates or pursue either such course at the same time or successively. In such event the Developer or its assigns, including the Association, shall be entitled to recover the attorney's fees and institute all actions against him personally for the collection of such charges as a debt and to foreclose the aforesaid lien in appropriate proceeding at law or in equity.

The Developer and its assigns, including the Association as herein provided, shall have the power to bid on any lot at any foreclosure sale and to require, hold, lease, mortgage, and convey any lot purchased in connection therewith.

No owner shall be relieved from liability from any assessment provided for herein by abandonment of his lot or lots.

SECTION SEVEN

Subordination of the Charges and Liens to Deeds of Trust Secured by Promissory Notes.

The lien and permanent charge for the annual and any special assessment together with interest thereon and any costs of collection authorized herein with respect to any lot is hereby made subordinate to the lien of any deed of trust placed on any lot if, but only if, all assessments with respect to any such lot having a due date on or prior to the date of such deed of trust is filed for record have been paid in full. The lien and permanent charge hereby subordinated is only such lien and charge as relates to assessments authorized hereunder having a due date subsequent to the date such lien of deed of trust is filed for record prior to the satisfaction, cancellation, or foreclosure of such lien of deed of trust or sale or transfer of any mortgaged lot pursuant to any proceeding in lieu of foreclosure of the sale under power contained in any deed of trust.

- (a) Such subordination procedure is merely a subordination and not to relieve any lot owner of the mortgaged property of his personal obligation to pay all assessments coming due at a time when he is a lot owner; shall not relieve such property from the lien and permanent charge provided for herein (except as to the extent the subordinated lien and permanent charge is extinguished as a result of such subordination or against the beneficiary of the lien of a deed of trust or his assignees or transferee by foreclosure or by sale or transfer in any proceeding in lieu of foreclosure or by power of sale); and no sale or transfer for such property to

the beneficiary of the lien of any deed of trust or to any other person pursuant to a foreclosure sale, or pursuant to any other proceeding in lieu of foreclosure, or pursuant to a sale under power, shall relieve any existing or previous owner of such lot of any personal obligation, or relieve any subsequent lot owner from liability for any assessment coming due after such sale or transfer of title to a subdivision lot.

- (b) Notwithstanding the foregoing provision, the Developer or its assigns, including the Association as herein provided, may, in writing, at any time, whether before or after any lien of deed of trust is placed upon a subdivision lot, waive, relinquish or quitclaim in whole or in part the right of Developer or its assigns, including the Association as herein provided, to any assessment provided for hereunder with respect to such lot coming due during the period while such property is or may be held by any beneficiary of the lien of any deed of trust pursuant to the said sale of transfer.

Where a positive obligation is not specifically set forth herein, none shall be interpreted as existing as it relates to the Developer.
